Yuma Youth Soccer Association (YYSA) a soccer recreational league/club in conjunction with Arizona Soccer Association (ASA) is focused on ensuring the health and wellbeing of the players, coaches, referees, and their families. YYSA/ ASA has been monitoring the constantly evolving Corona virus (COVID-19) situation and has been regularly seeking comment and advice from federal, state, and local agencies in addition to the CDC.

Additionally, we are in communication with US Youth Soccer and the United States Soccer Federation. If there are any changes to current soccer policies, YYSA/ ASA will communicate them to our members.

With the increasing number of cases reported around the world, YYSA/ASA is using the following protocols and best practices set forth by the CDC.

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Follow the CDC's recommendations for using a facemask.
 - Facemasks should be used by people who show symptoms to help prevent the spread of the disease.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
 - If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

SAFETY PROTOCOLS TO FOLLOW:
